

CIS/ Logistics Circle

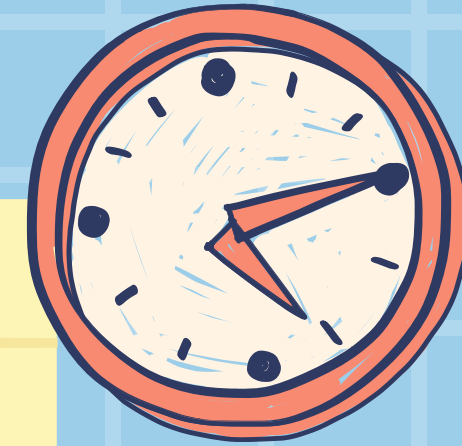

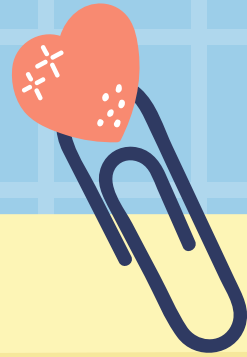

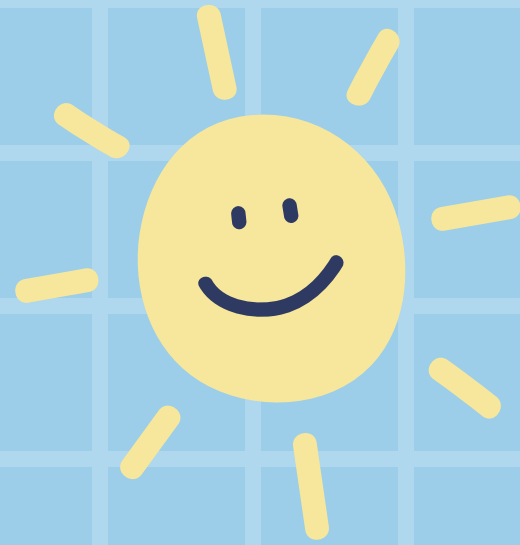

All about Material

Committee vice-head:
Alshaimaa Omar

Hello,
welcome to
our first
session.

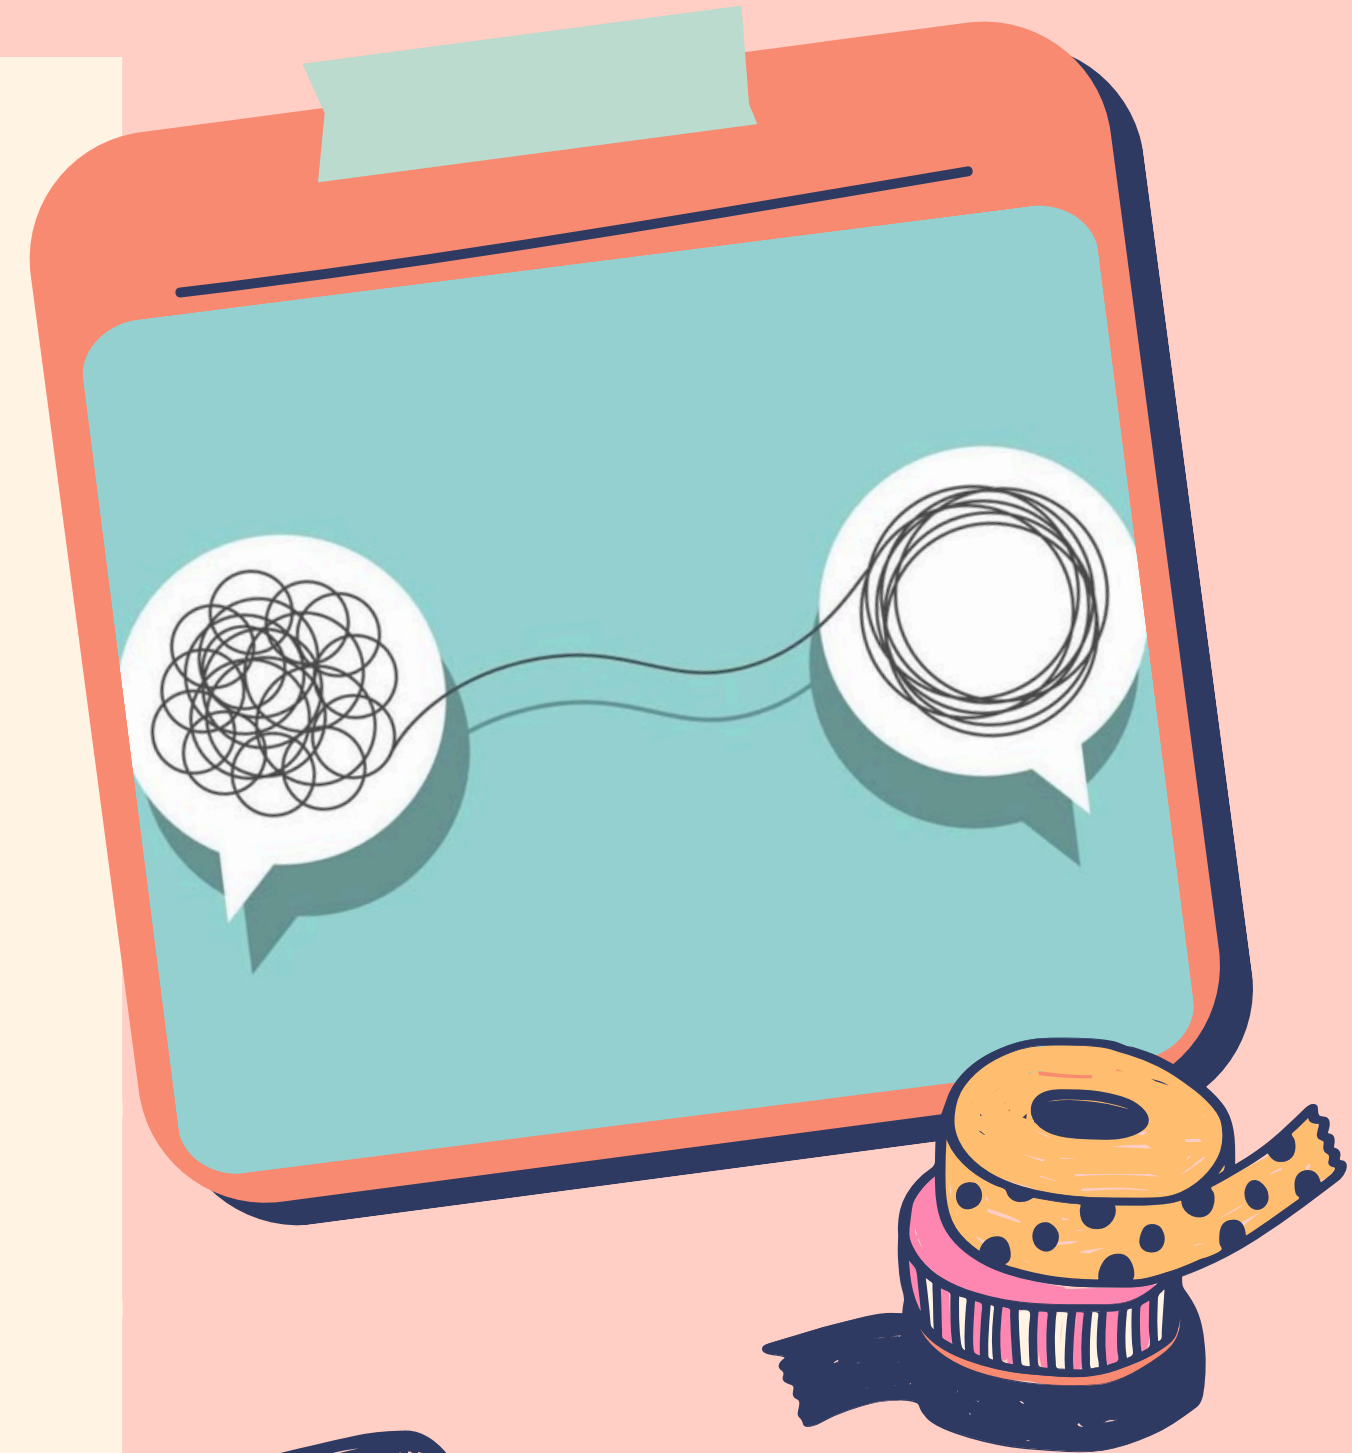

- In logistics Circle,
- we do our best and
- support one
- another as we
- learn together.
- Always remember
- to enjoy the
- process

Mission

- Bringing ideas to life – Handling all DIY projects.
- Organizing events & workshops – Ensuring everything runs smoothly.
- Managing logistics – Setting up materials and coordinating execution.

Types of Paper and Their Uses

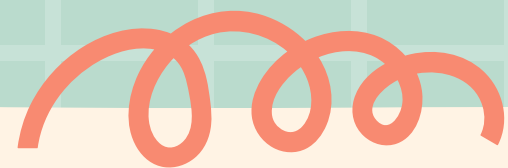

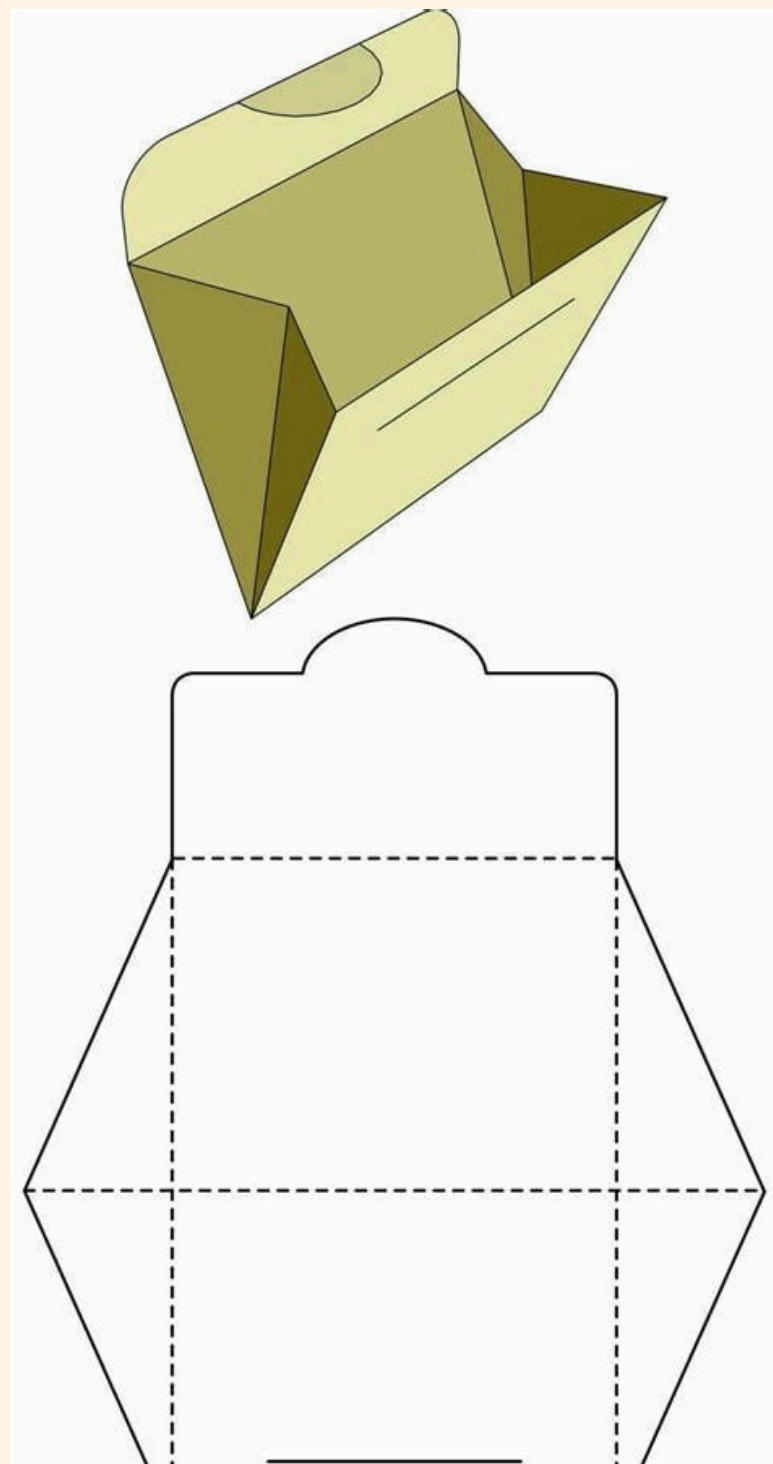

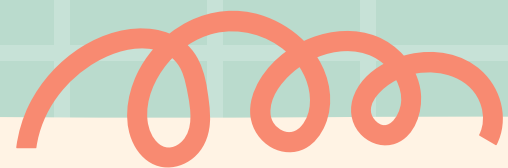

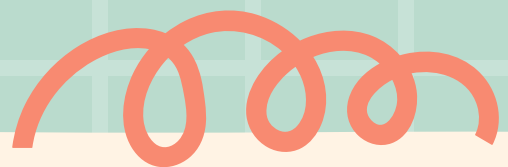

Thickness

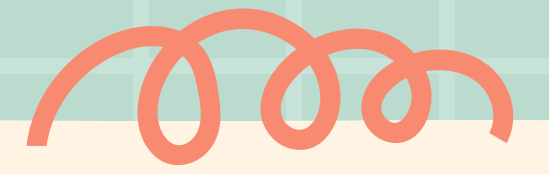

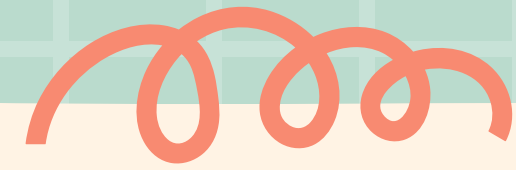

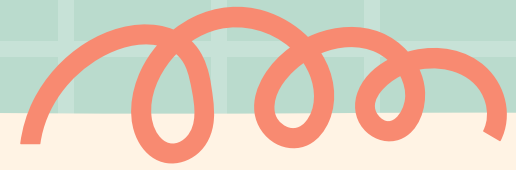

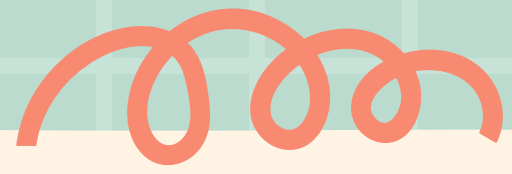

Each thickness level are required to specific item

Size

Sizes not only are differ in prices but also in use.

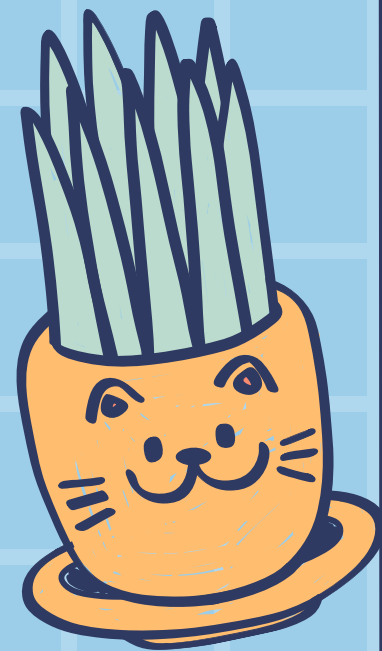

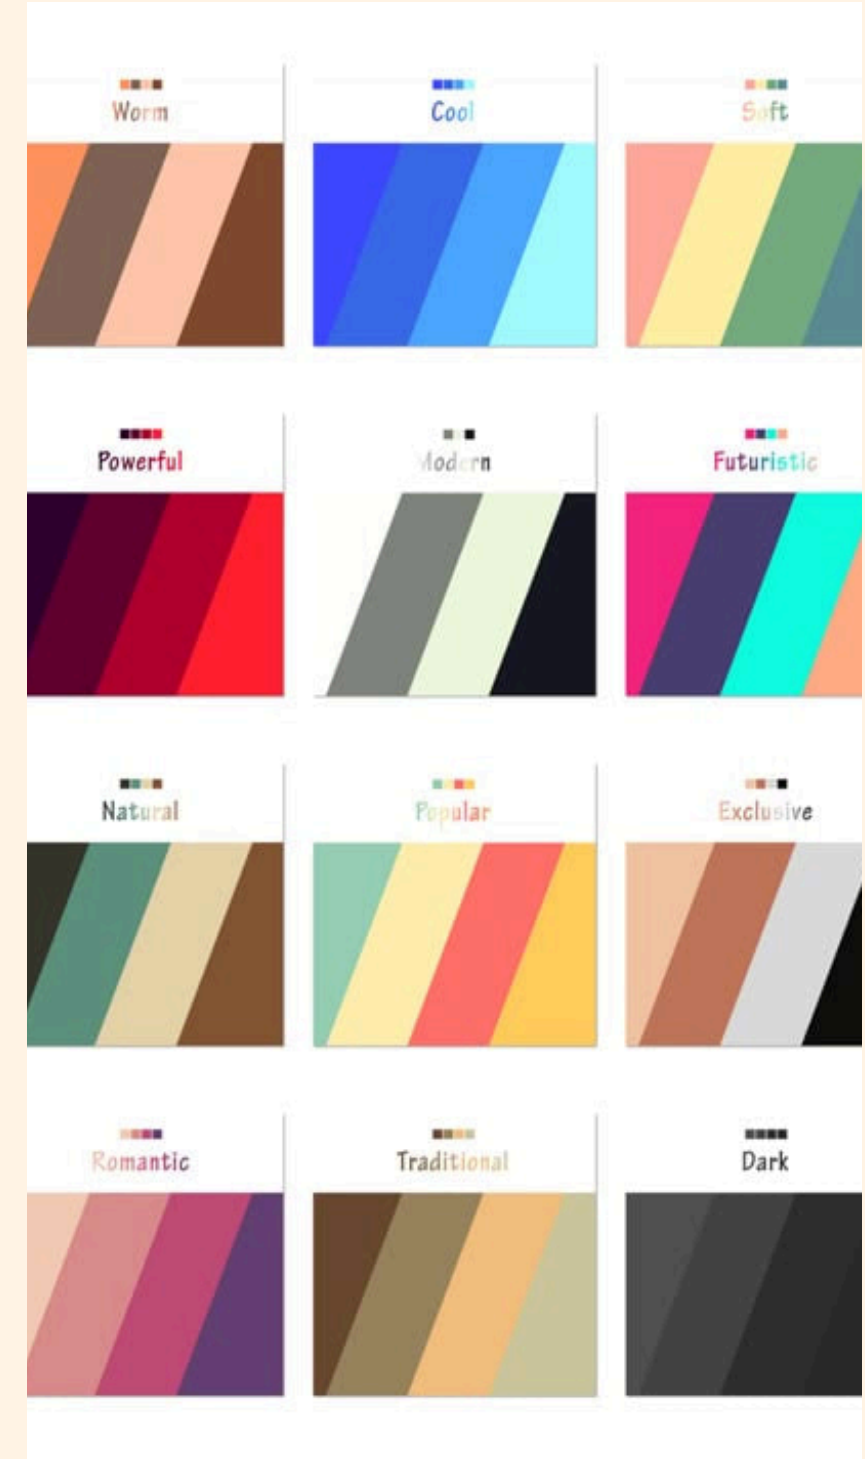

Color theory

- Primary Colors: Red, Blue, Yellow – Cannot be made by mixing.
- Secondary Colors: Green, Orange, Purple – Created by mixing two primary colors.
- Complementary Colors: Colors opposite each other on the color wheel (e.g., blue & orange) create contrast.
- Neutral Colors: White, gray, beige – Ideal for elegant designs.

1

Be honest.

2

Be responsible.

3

Be respectful of others.

4

Be kind, polite, and caring.

5

Be a good listener.

The 5 Golden Reminders

For a fun and productive class!

Kindly reminder

We start our class on time
so we can end on time.

"We have ranking system, so be careful about your excuses"
